

# Senior Yard Work!

Please help serve our senior families in need

“Each one should use whatever gift he has received to serve others, faithfully administering God’s grace in its various forms.” **1 Peter 4:10**

Volunteer Groups mow, trim, and beautify yards for senior citizens. If willing and able, please bring gloves, cutters, and tools you and your group might need.

Children Welcome!

All volunteer groups are appreciated as they further the CEC’s mission to empower people. Please contact Tiffany Guillory-Hood, [TiffanyG@cechope.org](mailto:TiffanyG@cechope.org), (817) 281-1164 for more information.
